Welcome to Banyuwangi Tourism

BANYUWANGI AT A GLANCE

Banyuwangi is the eastern-most regency of East Java. To the north lies the regency of Situbondo. The regencies of Jember and Bondowoso neighbor Banyuwangi to the west. To the east lies the island of Bali and to the west lies the Indonesian Ocean. Banyuwangi is situated on the coordinate 70 45' 15" S and 113' 38.2" E. Because of its location, Banyuwangi has diverse natural scenery, rich art, culture, customs and traditions.

The beauty of nature is spread across Banyuwangi from the west to the east. Mountains, forests and beaches mark the landscape of the regency. For instance, Ijen Crater, in the western part of Banyuwangi is famous for its beautiful crater lake, the traditional sulfur miners who amazingly climb up and down the slope of Mount Merapi.

Welcome to Memory of Majapahit Kingdom

The archaeological sites of Majapahit consist, for the most part, of the remains of religious foundations, or Temple, built usually from stone or brick. From the two most important and informative literary sources dealing with the history of Majapahit, the Nagarakertagama and Pararaton, we learn that a large number of sacred buildings were constructed as memorial shrines to deceased rulers and their families. The death of a king or queen saw the beginning of a series of funeral rites designed to guide the departed soul back to the source from
